0.0.1 The World Chapter (excerpt)

lokavaggo (excerpt)

He who having been formerly negligent,
but afterwards is no longer negligent; 172
he enlightens this world,
just like the moon freed from the clouds.

yo ca pubbe pamajjitvā,
pacchā so nappamajjati; 172
so imaṃ lokaṃ pabhāseti,
abbhā mutto'va candimā.

He whose evil kamma done,
is eclipsed by the wholesome; 173
he enlightens this world,
just like the moon freed from the clouds.

yassa pāpaṃ kataṃ kammaṃ,
kusalena pithīyati; 173,
so imaṃ lokaṃ pabhāseti,
abbhā mutto'va candimā.
