0.0.1 Corrupted Individual

1. This indeed was said by the Auspicious One, said by the Arahant, as heard by me:

2. "Here I, O bhikkhus, by encompassing a certain individual of a corrupted mind with my own mind, I understand thus: Were this individual to die at this moment, he will be put down in hell accordingly as if carried [there]. What is the reason for that? Because his mind, O bhikkhus, is corrupted. It is with a corrupted mind as cause, O bhikkhus, that some individual here, with the breakup of the body, after death, arises in the lower worlds, unhappy destination, the woeful plane, hell."

3. This is the meaning of what the Auspicious One said. Thus, this was said there:

> "Having known the corrupted mind,
> of a certain individual here;
> this meaning was explained,
> to the bhikkhus in the Buddha's presence.
>
> Were this individual to pass away,
> at this very moment indeed;
> he would arise in hell,
> because of his corrupted mind.
>
> As if having been carried [there],
> it is just so for such a person;
