0.0.1 Currents

1. Standing on one side, that deva addressed the Auspicious One in a verse.

> “From where do currents stand still,
> where does the round not revolve;
> where are name and form,
> completely held in check?”
>
> “Where water and earth,
> fire and air do not find a footing;
> from here currents stand still,
> here the round does not revolve;
> here name and form,
> are completely held in check.”
